28th February 2022

Dear Parent/Carer

In line with the most recent Welsh Government guidance, the following changes have now come in to force:

- **Pupils will no longer be required to wear face masks in classrooms.** Face masks will still need to be worn in all internal communal areas such as corridors, as well as on school transport.
- **Lateral flow testing will reduce to twice weekly** for staff and pupils and this is strongly recommended.

Other existing safety measures such as one-way systems, additional cleaning and hand sanitising stations will continue.

Yours sincerely

Mr C D Bale
Headteacher
