6th September 2022

Dear Parent/Carer

Work is underway on a £7 million pound sports and leisure complex at the school. Our ageing PE/Leisure facilities are having a complete revamp. A lot of work has been carried out over the summer and the construction phase is expected to last for the rest of this academic year.

Unfortunately, there will be some disruption at various times during the year and the construction team are currently working on updating our outdoor changing facilities. As a result, we do not have enough changing facilities at present and we need to be as flexible as possible.

Please send your child to school in their PE kit if they have a PE lesson on that day. I would also suggest that they bring their uniform in their school bag to change into if they get wet.

You only need to send your child in their PE kit if they have a PE lesson so please check their new timetable. They are welcome to wear black or grey tracksuit bottoms in place of shorts if they wish to keep warm.

Whilst I recognise that this is an inconvenience, we have previously taken these measures during periods of high levels of COVID. We fully expect the changing facilities to be available again by October half term at the latest when we will return to our normal operating procedures.

If you have any queries regarding this matter, please do not hesitate to contact the school office.

Thank you for your cooperation.

Yours faithfully

C D Bale (Mr)
Headteacher
