21st April 2021

Dear Parents/Carers,

Lateral Flow Testing for pupils.

The Welsh Government are offering pupils in secondary schools the opportunity of LFT home testing. Although this is voluntary, we ask for your support in encouraging your child to test in order to help keep everyone in our school community safe.

More information on testing can be found by [clicking here](#) and by watching this short instructional video [here](#)

Testing kits will be given to pupils on Wednesday 28th April. If you wish your child to take part you must complete this consent form by Monday 26th April 10am – please [click here](#).

Please be aware that by providing consent, you are agreeing to accurately record all of your child's test results at www.gov.uk/report-covid19-result or by calling 119.

Tests will need to be administered on Sunday and Wednesday evenings. The first test will be taken on Wednesday 28th April and the second on Sunday 2nd May. Each kit contains 3 tests and we will be issuing two kits – 6 tests in total. Following this, you can contact the school for another testing kit. Alternatively, your child can request another testing kit, providing consent has been given, from the pastoral staff at school. No child will need to receive a second testing kit until week commencing 17th May.

Health & Safety

The school continues to adhere to the County wide Risk Assessment policy that is in place in conjunction with the [WG Guidance](#). This includes the installation of multiple hand sanitizer stations around the school, social distancing on the school site and within classrooms and a stringent cleaning rota.

As always, I send my warmest wishes to you all. We as a school endeavour to support you and your family in any way we can and I ask you to please get in touch with us at any time.

Yours sincerely

C D Bale
Headteacher
