29th November 2021

Dear Parents/Carers,

Throughout this academic year, we will be hosting a series of Virtual Information Evenings. These events will examine relevant topics relating to the safety of your child. Some examples of these would be online safety, sexual harassment and staying safe in the community.

The aim of these events is to raise awareness and equip parents with the relevant knowledge and tools to help support their child.

The first of these events will take place on Wednesday 1st December at 6.00pm. The guest speaker will be PC Chris Fincher, our School Beats Officer, who will be talking about Sexual Harassment & Coercion. This topic has been widely covered in the news and media over the last year.

To join us for this event via Microsoft Teams, please click on the following link:

<https://is.gd/ych2tR>

As always, we look forward to working closely with you over the rest of this academic year. Your child's safety and wellbeing are our main concern and these virtual events are further evidence of the importance we place on the safeguarding of the school community.

I send my warmest wishes to you all. We as a school endeavour to support you and your family in any way we can and I ask you to please get in touch with us at any time.

Yours sincerely

C D Bale
Headteacher
